

(c) ***Motion to Seal or Otherwise Restrict Public Access.*** A party's request to file materials under seal must be made by formal motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation "Motion to Seal." The motion must set forth:

- (1) A non-confidential description of the material sought to be sealed;
- (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4) Supporting statutes, case law, or other authority.

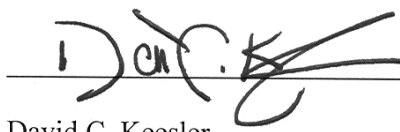

LCvR 6.1.

Plaintiff does not fully address the elements of LCvR 6.1(c); nevertheless, considering the record of the case and Defendants' consent, the Court will allow the motion to seal. Noting that the time for public response has not run to this motion, the Court will consider any objection to this Order from non-parties as an objection to the motion, requiring no additional burden for any non-party under the Federal Rules of Civil Procedure. See Local Rule 6.1(e).

IT IS, THEREFORE, ORDERED that "Plaintiff's Motion To Seal Exhibits" (Document No. 73) is **GRANTED**. Plaintiff's Exhibits 1-20, in support of "Plaintiff's Brief In Opposition To Defendants' Motion For Summary Judgment..." (Document No. 72), may be filed under **SEAL** and remain under **SEAL** until otherwise ordered by this Court.

SO ORDERED.

United States Magistrate Judge
